

Let whom you follow not tear you apart
Loving each other brings joy to Christ heart
Prefer not a leader, put forward no man
For Christ, God's own Son is our hope and God's plan

Draw close, be united, in faith and in love
This is the leading that is sent from above
Encourage one another and build each other up
For no one in our body should be 1st place or runner-up

Jesus is pre-eminent, He rules, a loving King
Together work and share it's love, disciples to Him bring
Intentional unto Him a loving servant be
Who shed His blood to save us all when He hung upon that tree

Let the Love of Christ flow through
And wash each one who talks with you
Let your words and let your deeds
Meet the lost and serve their needs

Be overfilled, to overflow
With courage share that all may know
Let Him complete a full remodel
Call on Him now – Don't wait. Don't dawdle
